CLUSTER HEAD

NUMBER OF POSITION: **3 PERSON**

QUALIFICATION: **POST GRADUATION WITH EXPERIENCE**

GENDER: **MALE / FEMALE**

LOCATION: **GUWAHATI, ASSAM**

TYPE: **FULL TIME**

SALARY: **Attractive, Lucrative, Negotiable**

Role Description

Passion for Socio-Welfare: A genuine commitment to providing accessible, reliable, and comprehensive healthcare and educare services to communities, aligning with the Trust's vision.

Business Management Skills: Experience or aptitude for managing a small business, including planning, budgeting, marketing, and record-keeping.

Community Networking: Ability to build strong relationships with the local community, healthcare professionals, and educational resources.

Healthcare & Education Sector Understanding

Relevant Background (Preferred): While not always mandatory for a franchisee, a background in healthcare administration, social work, public health, education management, or a related field would be highly beneficial.

Local Knowledge: Deep understanding of the specific health and educational needs of the target community.

Operational & Soft Skills

Leadership and Team Building: Ability to recruit, train, and manage staff effectively (e.g., center coordinator, support personnel).

Strong Communication: Excellent interpersonal skills for engaging with customers/patients, partners, and the Trust.

Problem-Solving: The ability to navigate operational challenges, regulatory hurdles, and customer concerns effectively.
